

# **Apollo Fire Equipment Company**

**is excited to announce the addition of:**

We have recently added Alexis Fire Equipment, of Illinois, to the brands that we are proud to represent and distribute in the state of Michigan. Founded in 1947, Alexis has a long history of providing top quality products and outstanding service to their customers. Alexis Fire Equipment carries a full line of products and customizes every truck to fit a department's needs. Alexis Fire Equipment is a family-owned, family-run business and we are proud to represent and continue those traditions.

If you are interested in learning more information about what Alexis Fire Equipment has to offer please contact:
